My Camp Crosley Story...

This letter comes from a girl named Kim. Let her tell you what her Camp Crosley experience has meant to her.

The past few summers that I've spent at Crosley have been some of the greatest experiences that I know I'll have in my life. My five years as a camper were great, but the opportunity to be a volunteer for two years was amazing. My love for children made it fun, but the knowledge I brought back made it a learning experience I'll keep with me for the rest of my life. Thank you so much for giving me the chance to be a SEAL and a Volunteer. Crosley will always be my other home, because Camp Crosley is the happiest place on Earth.

What's your Story? Find it this summer at Camp Crosley.

Fun Camper Facts

We will have campers coming from 20 states this summer! Those states include: Indiana, Illinois, Ohio, Michigan, Texas, South Carolina, Pennsylvania, Wisconsin, California, Arizona, Colorado, Kansas, Massachusetts, North Carolina, Kentucky, Oklahoma, Missouri, Connecticut, Georgia, and Tennessee.

AND 8 different countries: England, France, Austria, Spain, Belgium, Switzerland, Taiwan, and Mexico

Open House – Share the Experience

The only thing better than a week of camp is being able to share that week with a friend. If your friends don't know how amazing your summer at Camp Crosley is, you need to show them. Bring a friend to Open House so they can see why camp is where they need to be this summer. Whether this is your first or fourth summer at Camp Crosley you are welcome to come and enjoy the afternoon here. Open House will be April 26th from noon to 4 pm. If you plan on attending, please call the office and let us know how many will be coming so we will have plenty to eat. Lunch will be served from noon to two and we will give camp tours from noon-4.

British Soccer Camp

Do you have a passion for soccer? With great coaches, an innovative curriculum and daily competitive games, the Challenger British Soccer Camp has added a rich cultural and educational element to Camp Crosley. Not only will you practice and master new individual skills, but British Soccer Camp counselors will also help each camper understand the meaning of respect, responsibility, integrity, sportsmanship and leadership and how these core values relate to soccer. This special activity will only be offered from June 21-27 and campers must be between the ages of 10-15 to participate.

Support Camp Crosley

You may have asked yourself before "How can I help Camp Crosley?" Each year Crosley takes on a campaign to raise funds to provide financial assistance to bring kids to camp. We genuinely believe in what camping can do in the lives of children. If you believe in camping like we do and would like to help us you can give to Invest in Youth. If you are registering online or by mail simply check the Invest in Youth box and add whatever you give to your total. You can also call the office, tell us you want to give to Invest in Youth and we will be able to help you. If you have been hit by economic and financial difficulty this year please call our office to talk to us about how we can help you.
