

See What's New

North Teen Village

Last summer Camp Crosley was proud to open up its new North Teen Village. If you didn't get to experience it last summer, don't worry because this summer it is going to be even better. The program focuses on campers building a teen community including giving them more independence as well as more responsibility. This summer we will be adding themed evenings (activities and meals) and programming more opportunities for campers to form friendships. We are excited to shake up their program this summer and continue to focus on them being a community.

New Fun for '09

Every year Camp Crosley is dedicated to bringing new things to camp that will make summer even better. Now it certainly will be difficult to top the addition of Gaga from last summer, but we are excited for all of you to try out the new additions to camp. This year we will be introducing these new ingredients to make camp great:

- Frisbee Disc Golf Course
- Double Barrel on the Giant Slide
- Brand New Moomba Mobius boat
- Floating Saturn and Rolling Log at the water front

Explorer Program

Watch out 10-12 year olds for the summer of 2009! The Explorer Program is getting shaken up. What does this mean for you? New exciting adventures, a new place for Evening Program to call home, an adventure for you to live out every week, and of course more fun! We're adjusting our theme weeks and throwing in new adventures for you! Plus new additions to the weekly schedule like a Water Carnival. It is going to be a week you won't soon forget! Come experience it this summer!

Camp Launches its New Website

Camp Crosley is launching its new website!!! We have been working all winter on redesigning our website to help you be able to stay involved in camp all year round. This means a separate page for campers and parents to log in and get camp news designed for them. We will post pictures of camp throughout the year, have interactive games, and facts campers will want to know on the camper page. On the parents page will be answers to all the questions parents normally ask us. Be sure to check out the new website often as we will be updating it frequently. We are excited to be able to keep you updated on everything that is happening at Camp Crosley throughout the year!
