Our Vision

To develop, strengthen, and transform the youth, families, and communities we serve.

Our Mission

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

Our Values

We strive to live out our four core values: *Caring, Honesty, Respect, and Responsibility.*

Camp History

Camp Crosley is situated in the northwest corner of the state of Indiana, in Kosciusko County, famous for its abundant natural lakes. We are two and a half hours north of Indianapolis, and two and a half hours southeast of Chicago. We are a week-long, traditional, co-ed, overnight camp that serves campers ages seven to seventeen.

Since 1915, Camp Crosley has positively impacted tens of thousands of campers. Staff and campers alike tell us that Crosley feels like another “home” and that the friendships and memories made here last a lifetime.

Our Camp story is timeless. It is the story of the Ball family turning their personal tragedy into one of belonging for thousands of children for generations to come. The YMCA of Muncie, Indiana had been borrowing this land for years to host camping trips, but in the wake of Clinton Crosley Ball’s death, the Ball family decided to set it apart. In their son’s memory, they would create a sacred place where children of all ages could learn, grow, and thrive. Our story is one of the heart’s awakenings when connected to God, nature, and to others. It is the story we believe in telling as well as living...

Children belong at Camp Crosley.

Accreditation

Safety is the cornerstone of what we do at Camp Crosley. Our safety standards meet or exceed the requirements set by the American Camp Association (ACA). Camp Crosley is accredited by the ACA and meets over three hundred best practices and standards for health, safety, staff, and program quality to ensure the best outcome for our campers.

PREPARE FOR CAMP

Welcome to Camp Crosley YMCA! We are excited to have your family join us this summer. The information in this guide is extremely important. It is our hope this handbook will help you and your campers prepare for an amazing Summer Camp experience!

Parent Portal

You may login to your Parent Portal on our website: www.campcrosley.org to access all aspects of your account. Click **Register For Camps** to access or create your account. Once logged in, click the drop-down menu signified by three horizontal lines at the top of the page. This will display your account menu, and it is from this point that you will find the following essential information:

Document Center During the registration process, you will be prompted to fill out several forms. A parent or guardian must complete these forms *before* campers arrive for check-in. You will have access to edit these documents up until one week prior to check-in.

Camper Confidential Form: We use this form to help our cabin counselors prepare and serve your camper in the most effective way possible. Please include any information you feel necessary to help us ensure they have the best week ever! Examples might be social or emotional needs, or outside situations which may have an impact on their experience.

Camper Medical History: Our medical staff must be able to reference this crucial information in the event of an emergency. Please be sure to include an updated list of any medications, allergies, or other health concerns. We ask that you provide up-to-date health insurance and physician information as well.

➤ ALLERGIES

Please disclose any allergies on the Camper Medical History form. We ask that you not send any snacks with your camper that contain peanuts or tree nuts of any kind. If there are severe allergies, we recommend reaching out to our Food Service Director, Renee Beaver: renee@campcrosley.org

Message Center Purchase and send one-way emails to your campers. The cost is \$5.00 per block of five emails. Each morning (M-F) our office staff will print and hand deliver messages to your camper's cabin.

Camp Store Add funds to your camper's store account to allow them the ability to purchase snacks at the Snack Shop and Camp swag from the Compass Store! *We do not accept cash for camper purchases such as these.*

Online Store Order specially procured swag bundles to be hand-delivered to your camper's cabin!

PREPARE FOR CAMP

After Registration

- Read this Parent Handbook to familiarize yourself with camp life.
- Double check your reservation date/session to ensure you arrive on the correct day.
- Please include all parents/guardians as account members in your Parent Portal, along with their contact information.
- *It is helpful to list one or two non-account members on the Authorized Pickup List in case of emergencies.*

Two Weeks Prior to Camp

- If your camper requires medication during Camp, ensure there *are just enough doses for their Camp session in the **original container***. It is crucial to send only the container in which the medication was originally prescribed. Medical staff are legally required to verify both name and dosage in this manner; a handwritten note will not suffice here.
- If your camper has food allergies, now is a suitable time to contact our Food Service Director at renee@campcrosley.org.
- Complete any necessary changes on the forms **before online registration closes one week prior to the start of your session**.
- Review the packing list. 

Day of Check-In

- Please DO NOT arrive for Check-In before your assigned time slot.
- Follow parking lot attendant's direction during your assigned time slot.
- Deliver medications to our nurses at the Infirmary (located near the Welcome Center).
- Drop off mail and/or packages to the camp Post Office. Please note these changes to our snack and care package policy:
 - We allow campers to have outside snacks either delivered in the mail or dropped off during check-in. Please use your best judgment when selecting snacks. Anything sent in that contains major food allergens will not be allowed in the cabin. We ask that you avoid sugary, sticky, messy snacks altogether. Please remember this is Camp, and that certain foods may attract unwelcome insects and animals.

CANCELLATION

If you need to cancel your registration at any time, you may do so through your Parent Portal or by contacting the office at (574)834-2331. If the cancellation is due to an illness or injury, you must provide accompanying medical documentation to qualify for a pro-rated refund.

Our **Cancellation Policy** is as follows:

- The \$100.00 registration deposit is nonrefundable.
- For Overnight Camp, the Add-On Optional Activity fees are non-refundable.

PREPARE FOR CAMP

Cancellation Policy cont.

- If you cancel more than four weeks before your camp session starts, you will receive a full refund, minus any non-refundable fees. For example, if your session begins June 28, the last full day to cancel and receive a refund would be May 30.
- Due to difficulty of filling cancelled spots prior to your camp arrival, any cancellations less than four weeks before the first day of your session will NOT receive a refund.
- You must send notice of cancellation in writing to the Camp Office. Email is acceptable.
- If a camper is unable to complete the session due to medical reasons, you must provide medical documentation for a pro-rated refund.
- There will be no refunds for leaving Camp early due to homesickness or disciplinary action.
- Regardless of the cancellation date, we will process all store deposit refunds at the end of the Summer Camp season.

CAMP STORE

Store deposits are paid in advance, usually during the registration process, and cover both the Compass Store and Snack Shop. Parents can monitor store purchases and add funds as needed throughout their camper's session.

- **At the end of the summer**, unspent store balances of \$5.00 or less will be automatically donated to our camper scholarship fund, Crosley for Kids. Balances greater than \$5.00 may be either donated or refunded to the payment method on file. **Please indicate your preference during the registration process by toggling either *Refund* or *Donate* to expedite this process** at the end of the Summer Camp season.

PLEASE NOTE:

- The Compass Store carries a variety of merchandise including plushies, hoodies, water bottles, journals, stickers, hats and other useful or novelty items bearing the Camp Crosley logo. Price of merchandise varies from \$2.00 for a carabiner up to \$50.00 for our ever-popular cozy flannel pajama pants sporting the Crosley collegiate logo. There is something for every camper!
 - **Campers may ONLY use their store account to make purchases.** Cashier is unable to accept cash or make change while Camp is in session. We may reach out to you to request an additional deposit if your child has run out of funds.
 - The **ONLY TIME** we accept cash is during Check-Out, where you will have the opportunity to visit the Compass Store with your camper. This is a fantastic time to use any remaining store account funds, rather than waiting until the end of Summer Camp for your refund.
 - **The Snack Shop** is available daily during swimming time at the H2Whoa Zone, for campers to purchase sweet and savory snacks and beverages. These items are available for purchase in addition to the regular snacks Camp provides.
 - ✓ During snack time, campers can purchase two food items and one beverage per day. We offer a variety of items such as pickle pouches, candy, chips, ice pops, sport drinks, sparkling water, pretzels, and string cheese. Items range in price from \$.50 to \$3.00 each.

PREPARE FOR CAMP

Camp Store, cont.

- **Online Store:**

One of the most exciting events for campers is *Parcel Day*! Access the Online Store through your Parent Portal to purchase specially procured swag bundles. Bundles can be purchased any time before 12:00pm on the Friday of your camper's session and will be hand delivered to their cabin.

Cabinmate Requests

- To add a cabinmate request for your camper, first navigate to [Reservations](#) in the Parent Portal. For each individual reservation, click on **Additional Information** to edit or add up to two mutually requested names. Requests must share the same age category as your camper.
- We do not take cabin or counselor requests.

CLOTHING

Clothing Guidelines

We ask for your help in choosing appropriate clothing to bring to camp. While we are big proponents of self-expression, Camp is a safe space, so we do not allow clothing with suggestive or political messages. We suggest packing older, "play" clothing that can get wet, dirty, or lost without concern.

- **Appropriate Clothing**

Ensure all clothes are durable and provide sun protection. We recommend tank tops with straps at least one inch thick and shorts that reach mid-thigh. For practical and safety reasons, we do not recommend wearing clothing that has been cut (for example, extended arm or neck holes, large rips in pants, etc.) or attire that exposes too much skin to the elements.

- **Daily Color Theme**

Each day of the week besides Friday corresponds to one of Camp Crosley's four core values. Campers love to wear the same colors and Camp swag as their counselors, and we love to see our staff unified as we work together to live and instill these values in our campers.

- Monday: **CARING** (red)
- Tuesday: **HONESTY** (blue)
- Wednesday: **RESPECT** (yellow)
- Thursday: **RESPONSIBILITY** (green)

- **Swimwear**

Our swimming area and aquatics are highly active. As a result, swimwear must be sturdy and practical to avoid wardrobe malfunctions. We recommend swimming trunks and one-piece swimsuits rather than Speedo-style briefs or bikinis. No matter what you choose, it is most important for it to stay in

PREPARE FOR CAMP

Clothing, cont.

place during high impact, waterpark style activities. Camp Crosley reserves the right to ask any camper to wear a T-shirt over swimwear that appears unsuitable for the current activity.

- All campers who enter the water must wear the provided life jacket over their swimwear. There are NO EXCEPTIONS TO THIS RULE.

Attire for Optional Activities

• Horseback Riding or Minibikes:

Please pack long pants/jeans and closed-toed, hard sole shoes. Both activities take place in fields or through wooded trails. We do not require Western boots for horseback riding; however, your camper will require a pair of sturdy boots or shoes, preferably with a one-inch heel.

- Camp provides helmets and other safety gear.
- Flip flops are not acceptable.

• Sailing

Campers participating in Sailing will spend time in the shallow sections of James Lake. Campers are welcome to wear sturdy sandals with backstraps such as Crocs, or another similar shoe.

Bedding & Linens

Please remember to pack a pillow (with pillowcase) and your choice of a sleeping bag or twin-sized bedding, i.e., sheet set, comforter, or other blankets. You may want to send extra bedding if you think your camper may have an accident. Bedding items are available in each cabin to offer a discreet change, just in case. Two beach towels are nice to have so one towel can dry on the clothesline while the other is in use.

What to Leave at Home

WE DO NOT ALLOW cell phones, laptops, digital cameras, tablets, or smart watches. This is to maintain protection of camper privacy.

WE DO NOT ALLOW alcohol, recreational drugs, tobacco products, vaping devices, chewing gum, or weapons of any kind on the premises.

- Please note: If staff discover your camper has any of these items after Check-In, we will confiscate and lock them in the Camp Office until Check-Out. Please DO NOT send these or other equivalent items in the mail to your camper.

Scholarships

Qualifying families unable to afford the full cost of Camp may apply for financial assistance, made available through generous contributions and ongoing fundraising efforts throughout the year. Please contact the Camp Office for more information and eligibility requirements.

PREPARE FOR CAMP

Special Needs

If your camper has special needs, contact our Senior Program Director, Grant Jasper: grant@campcrosley.org prior to registration to evaluate their individual needs. Our staff are accommodating and encouraging with campers who may need help if they are aware of the need. Our programs are not designed for campers who may need significant attention or who require one-on-one support.

PARENT CONNECTIONS

- **Emails**

Purchase and send one-way emails to your campers within the Message Center of your Parent Portal. The cost is \$5.00 per block of five emails. Each morning (M-F) our office staff will print and hand deliver messages to your camper's cabin. Emails are a fantastic way for you to connect and share updates from home. Campers will be unable to reply, but we encourage them to write letters to loved ones.

- **Mail and Packages**

Campers love to receive letters! Camp will distribute letters, packages, and email printouts after lunch each day.

- **Friday is the last day** mail and email messages get distributed. Send your mail a week or more prior to the start of camp. Better yet, bring your mail with you! Drop off any mail and/or packages at the Post Office during Check-In.
- Make sure to clearly label the camper's name and cabin on all mail, like this:

Camp Crosley YMCA
(Camper's Name & Cabin)
165 EMS T2 Lane
North Webster, IN 46555

- **Photos**

Our media staff are dedicated to the important task of photographing more than two hundred campers throughout Camp Crosley each week. View and/or download photos each evening within the Photo Gallery of your Parent Portal.

- The first photographs are typically posted on Monday evening, but occasionally staff will upload them on Sunday.
- Please note that staff will have fewer photo opportunities during inclement weather.

- **Visits**

Parent/guardian visits to camp can be disruptive, especially for campers who are prone to homesickness. For safety reasons, we kindly request that parents not walk around Camp once Check-In ends.

PREPARE FOR CAMP

Parent Connections, cont.

- **Never** pick up campers/campers without first checking in at the office. If a visit is necessary, please follow these safety protocols.
 - ✓ We require advance notification.
 - ✓ Make sure your name is on the **Authorized Pickup** list before arriving.
 - ✓ Come to the Welcome Center and sign-in at the front counter.
 - ✓ Bring picture I.D. into the office.
 - ✓ ***When returning a camper who had to leave for any off-Camp function, head to the Welcome Center first to sign them back in.***

• Emergencies

Camp is prepared for emergencies, and our staff train rigorously for them. All leadership staff residences are equipped with NOAA weather radios. Staff also carry two-way radios to communicate an emergency immediately.

- Depending on the situation and in the unlikely event of an emergency, we will contact you and provide the most updated information available.
- During the Summer Camp season, we house two licensed, on-site medical professionals 24/7 who will contact a parent or guardian if their camper is running a temperature of 99.7 degrees Fahrenheit or higher, or if any medical situation is not progressing as expected.
- If a camper becomes ill, they will be taken to the Health Center to see one of our 24/7 medical staff.
- We will call a camper's Primary Contact first. If there is no response, we will continue to the Secondary contact and then move onto alternate/emergency contacts last.
We highly recommend listing multiple alternates in case of a medical emergency.
- In the event of a serious emergency, we will contact Emergency Medical Services immediately. If a trip to the hospital or medical clinic becomes necessary, staff still abides by the "rule of three" meaning two staff members will accompany your child to the facility.
- Parents/guardians are responsible for charges incurred at offsite medical facilities for any treatments, procedures, medications, or other medical care.
- For emergencies after 5:30 p.m., parents may call our office and follow the prompts for the Manager on Duty's (MOD) phone number. *If you have an emergency at home and need to notify your camper, please call the Welcome Center at (574)834-2331 to make arrangements with our Senior Program Director, Grant.*

• Medications

You must check in all medications with the nurses at Check-In. If your camper requires medication during Camp, ensure there *is only enough for their Camp session in the **original container**.*

Medical staff are legally required to verify both name and dosage in this manner.

- **NO MEDICATIONS BESIDE an EpiPen or INHALER ARE ALLOWED IN CABINS.**
- **ALL PRESCRIPTIONS MUST BE CURRENT AND WILL BE ADMINISTERED AS PRESCRIBED ON THE ORIGINAL CONTAINER**

EXPLORE CAMP

Check-In
